6. Will my child have to wear a face-covering all day?

Face coverings are required for all persons in a BCPS facility or vehicle as well as on BCPS property. Face coverings are required during transportation to/from school on a bus as well as outdoors on campuses. The only exclusion from the face-covering rule is when the students are eating or taking a brief face-covering break outside.

Each school, office, and school bus will have a supply of disposable face coverings for students and employees who forget their face covering or whose face covering becomes soiled or damaged.

If your child's mask does not meet the CDC guidelines, a disposable mask will be provided for the day. Students should not wear masks with vents or bandanas.

i *Glenmar scholars will benefit from the Universal Meal program. **All scholars will be given breakfast and lunch free of charge each day.** Although it is not mandatory, it is a wonderful chance for your child to begin and end each school day with a nutritious meal. 9. How can I prepare my child for his/her return to school?

- *Let your child know that school is still a safe place. Things may look different, but they are still safe at school.*
- *Explain social distancing and the importance of wearing a face-covering. Have them practice wearing a face covering for several hours at a time if they have not already been doing so.*

The school nurse will provide additional information regarding the process. Any person in close contact of a child with Covid-like symptoms will be notified and excluded from school as well.
